# **15<sup>th</sup> Annual Day**

**23<sup>rd</sup> March 2023**

## **15<sup>th</sup> ANNUAL REPORT 2022-2023**

Guest of Honours Mr.P.R.Manikantan, Co-Founder & CEO, SEIL Learning & Mr.Gowtham Krishnamoorthy, Founder & CEO, Nutz Technovation Pvt. Ltd. Respected Chairman. Mr.B.Nitish Harihar, Respected Pro Chairman.Mrs. Aishwarya Nitish, Respected Vice Chairman & Secretary. Mr. G. Prabakaran, Heads of various Departments, Dignified guests, Parents, Staff, Students, members of the press and other invitees a very good morning to you all.I feel very privileged to stand before you on this happy occasion to present the Annual Report for the year 2022 - 2023.

We at NSIT as a team, strive to educate the deserving students towards excellence with ethics. This year we have achieved our own goals in various areas like Academics, Research & Development, Co.curricular, extra – curricular, CSR activities and Placements.

### **Our Vision**

#### **“With Education and Ethics, we create Excellence”**

The college aims to impart quality education combined with ethical values, the two qualities that are in congruence with the nation's development. The vision of the college is to produce engineers who think 'out of the box' and can act as a cohesive link between the administrative and executive machinery of the country

### **Our Mission**

NSIT was started with a mission as an institution of technical education, “To impart value based education and to train technically competent & ethically strong professionals in order to meet the challenges of the rapidly changing technological environment”. We also provide ample opportunities for developing the student’s extracurricular skills, creativity, innovation, leadership, team work and help them to become outstanding individuals.

### **Quality Policy**

We at Narasu’s Sarathy Institute of Technology will strive to inculcate sound technical knowledge by providing quality education and training in engineering and technology in a congenial and disciplined environment. We are committed to develop skills, knowledge and the right attitude among the students to meet the expectations of the industries, parents and society with continual improvement through dedicated teamwork. A good feedback mechanism is formed by means of continuous assessment program which ensures the quality of our academic system.

## **ACADEMIC PROGRAMMES:**

Founded in 2008, by Smt. Mahalakshmi educational trust, Narasus Sarathy Institute of Technology represents a rich tradition of excellence in technology.based education. A premier.league institution among the affiliates of Anna University, owes its vision to late Sri. Narasu's R.P.Sarathy an entrepreneur, educationalist and philanthropist.

Narasu's Sarathy Institute of Technology in its 15years of existence, is a reputed institution in the State of Tamilnadu. The college in its pursuit for quality in technical education has earned good ranking in the State (source: Times of India).The college offers 6 UG programmes (**B.E.CSE**, ECE, EEE, MECH&**B.Tech.IT**, AI&DS) & 2 PG programmes (**M.E –VLSI& CSE**).

## **ACADEMIC ACHIEVEMENTS:**

*“Education is the most powerful weapon which you can use to save the world.” – Nelson Mandela*

We are privileged to be the educators who can create the change makers of this world. We at NSIT believe that education is not just completing the syllabus and getting a good pass percentage.

Rather we also strive to create engineers who are industry ready with an ethically balanced foundation. So, our students are given an education beyond classrooms in various methods like live projects, Industrial visits, Internships, workshops, Guest lectures, Technical and Non technical student centric clubs and competitions etc.

I am proud to say that, we as a young institution we have 1 Gold Medal & 27 University Ranks. I am proud to declare that we are in the best place in state and first in the region i.e. Salem, Dharmapuri, Krishnagiri, Namakkal and Erode out off13 districts Engineering Colleges.

## **OUR FOUNDER**

**THIRU R.P.SARATHY**

*Founder*

**Narasu's Sarathy Institute of Technology**

"There is no exercise better for the heart than reaching down and lifting people up"

Founder of Smt. Mahalakshmi Ammal Educational Trust and Narasu's Sarathy Institute of Technology. His hard work and honesty received its due recognition when he was awarded the highest and most honest tax payer award – Rashtriya Samman by the Income Tax Department for 5 consequent years. He believed that education is the only way to develop a society. So he contributed to various schools and colleges.

He was the Founder President for Sri Vidya Mandir Schools and introduced the CBSE system of education to Salem. In 2010 when Vidya Mandir Trust laid its foundation for an Arts College he was requested to be the Chairman and the college is successfully functioning at present. He was also the Founder Chairman of Vysya Group of Institution and remained in that post till his demise. At the age of 75, he retired from all businesses and after deep thought decided that he had to dedicate his time solely for educational activities and hence chose to start an engineering college. His vision was to provide quality technical education to the deserving students and create employable engineers who are technically competent and ethically strong. Sri “Narasu's R.P. Sarathy passed away on 4<sup>th</sup> January 2019.

*Appreciation and recognition are powerful motivators leading to an increase in performance, productivity, morale, employee retention and overall satisfaction.*

A rapidly changing technological environment

- ❖ “It is very important that engineering aspirants develop varied skills while studying any topic, and thus we ensure learning at NSIT goes beyond the textbook learning and find ways to apply the knowledge learnt in the world around us”, Our curriculum is framed by leading academicians and is designed in such a way that the student gets a chance to go beyond just memorizing the subject”. Through a brief conversation with the chairman, we learnt that NSIT believes that it is their duty as educationalists and teachers to help students think outperform on a daily basis by using the above skills as their vantage points.
- ❖ **Katral Award 2022:** Received **Best Engineering College for Quality Placements & Industry Connect Award** from Minister of Higher Education of Tamilnadu Thiru.K.Ponmody.

- ❖ Recognized & awarded **3<sup>rd</sup> place** in **Top 10 Outstanding Engineering College** in India by **Silicon India Education Magazine**.

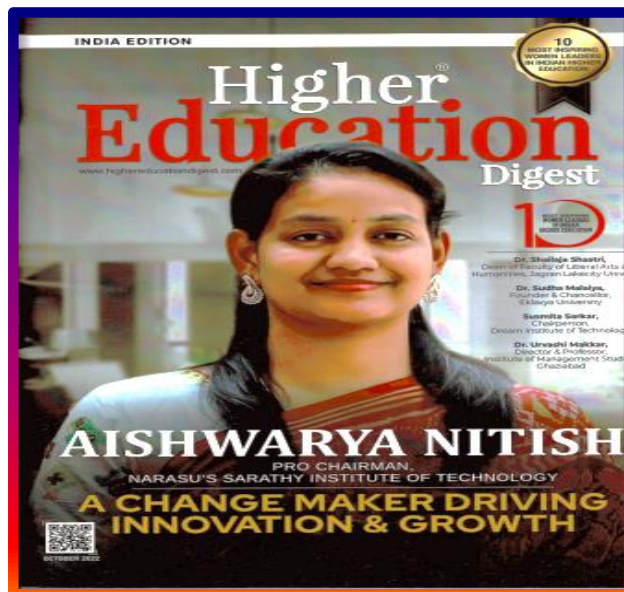

- ❖ **Higher Education Engineering Survey 2022:** Recognized & awarded our college as one amongst Top 100 Engineering Colleges in India (All India Ranking **49<sup>th</sup>** place out of 100).

- ❖ Recognized & awarded our college as one amongst Top 100 Engineering Colleges in India by **Higher Education Engineering Survey-2022** for “**Training Students to set their Aspirations & Work towards their Goals**”.

- ❖ Our Prochairman recognized as “One amongst India’s Top 10 Inspiring Women in Higher Education” by **Higher Education Digest Magazine**.

- ❖ Received appreciation certificate from Kongu Engineering College for Green Audit on 03.09.2022.

- ❖ Appreciation received from EDI, Salem Chapter for 2nd Position in EDC activities EDII.TN . Congratulations to Mr.Sabarinathan. EDC Coordinator on 01.02.2023

## **HIGHLIGHTS OF NSIT 2022-2023**

### **INSTITUTE LEVEL**

- ❖ New Course B.Tech (**Artificial Intelligence & Data Science**) is approved from this academic year 2022-2023 by AICTE, NewDelhi with intake of 60.
- ❖ **Department of Electrical & Electronics Engineering** is registered and got membership in “The Institution of Engineers (India)” students’ chapter.

### **FACULTY LEVEL**

- ❖ **Dr.V.Munusami, Principal** joined as an Executive Committee Member in ASM(American Society for Metals) International Salem Chapter

- ❖ Dr.R.Vasanthi, HOD/CSE received **Uttama Adyapika Award** from **Bharat Education Excellence Awards 2022**.

- ❖ **Dr.R.Vasanthi, Prof/CSE** received appreciation certificate for extending valuable & benevolent support as faculty coordinator for organizing **National level One week Faculty Development Program on Amazon Web Services** with 15000+ faculty members across the nation from **22.08.2022 to 27.08.2022** organized by **Brainovision Solutions India Pvt.Ltd** association with **AICTE**.

- ❖ Dr.T.R.Vijayan from the department of mathematics received **Eminent Professor Award 2022** from **Thannammal Educational Trust** on **15.07.2022**

- ❖ Dr.K.Arutselvan, HoD/EEE, Dr.R.Kavitha, Prof/Chemistry, Mrs.P.Sudhapriya,AP/CSE, Mr.T.Sudhakar, AP/Mech have applied 4 project proposals and got sanctioned under TNSCST at cost of Rs.28, 000/.
- ❖ Dr.R.Kavitha,Prof& Head(S&H) received a seminar grant for national seminar entitled “Regeneration of agricultural soil using organic products” from ICSSR for Rs. 65,000/-.

### STUDENT LEVEL

- ❖ Students from Department of CSE got shortlisted for **Grand Finale - Smart India Hackathon 2022**

- ❖ **Cricket women team** secured **2<sup>nd</sup> place** at the **CM Trophy Tournament** and received a Total Cash Prize of **Rs.25,000/-** on 21.02.2023.

- ❖ **NSIT Boys Cricket team** secured **3<sup>rd</sup> place** at the **CM Trophy Tournament** and received a Total Cash Prize of **Rs.45,000/-** on 24.02.2022.

- ❖ **P.Dhamotharan** and **M.Gunasekaran** from Department of CSE are selected for all **India Inter University WUSHU (M/W) Championship 2022-23** held at Chandigarh University, Mohali on 22.01.2023.

- ❖ **M.Santhosh** from Department of EEE got **2<sup>nd</sup> place (RUNNER)** in **U23 National Throwball championship 2022** and got **best attacking roll award** held at Haryana on 30.11.2022.

- ❖ **NSIT Boys Cricket Team** won against **PCA club-Natarajan Cricket Academy** by 7 wickets in T20 Match on 20.11.2022.

- ❖ **Ms.Anandhi** from Department of EEE for participating in the talk show “**Ithu Ungalmedai**” in **vendhar TV** on 05.07.2022.

### **NPTEL COURSES:**

*For working professionals, NPTEL lectures are a boon. The courses are so well and of very high quality*

*National Programme on Technology Enhanced Learning (NPTEL) is a project of MHRD initiated by seven Indian Institutes of Technology along with the Indian Institute of Science, Bangalore in 200, to provide quality education to anyone interested in learning from the IITs. The main goal was to create web and video courses in all major branches of engineering and physical sciences at the undergraduate and postgraduate levels and management courses at the postgraduate level.*

- ❖ **Dr.V.Munusami**, Principal/NSIT awarded Elite in 8 Weeks NPTEL Course entitled “**Educational Leadership**” on September 2022.
- ❖ **Dr.M. Poonguzhali**, HOD/ECE awarded Elite & course topper in 8 Weeks NPTEL Course entitled “**Educational Leadership**” on September 2022.
- ❖ **Mrs.M.Durgapriya**, AP/ENG awarded Elite in 12 Weeks NPTEL Course entitled “**Applied Linguistics**” on October 2022.
- ❖ **Dr.M.Geetha**, AP/PHY successfully completed 12 Weeks NPTEL Course entitled “**Applied Optics**” on October 2022.
- ❖ **Dr.A.Srithar**, AP/PHY awarded Elite in 12 Weeks NPTEL Course entitled “**Applied Optics**” on October 2022.
- ❖ **Dr.P.Tamilselvi**, AP/PHY awarded Elite in 12 Weeks NPTEL Course entitled “**Applied Optics**” on October 2022.
- ❖ **Mr.A.Nandhakumar**, AP/MATHS awarded Elite in 12 Weeks NPTEL Course entitled “**Engineering Mathematics-I**” on October 2022.
- ❖ **Ms.V.Suganya**, AP/MATHS successfully completed 12 Weeks NPTEL Course entitled “**Engineering Mathematics-I**” on October 2022.
- ❖ **Mrs.S.Jayapriya**, AP/CSE awarded Elite in 8 Weeks NPTEL Course entitled “**Big Data Computing**” on October 2022.
- ❖ **Dr.R.Kavitha**, Prof/CHEM successfully completed 8 Weeks NPTEL Course entitled “**Metals in Biology**” on September 2022.
- ❖ **Mr.P.Govintharaj**, AP/CIVIL awarded Elite in 8 Weeks NPTEL Course entitled “**Introduction to research**” on October 2022.
- ❖ **Mr.S.Elavarasan**, AP/MECH awarded Elite in 8 Weeks NPTEL Course entitled “**Introduction to research**” on October 2022.
- ❖ **Mr.S.Sasidharan**, AP/MECH awarded Elite in 4 weeks NPTEL Course entitled “**Polymer Assisted Abrasive Finishing Processes**” on August 2022.
- ❖ **Mr.V.Haribalaji**, AP/MECH awarded Elite in 4 weeks NPTEL Course entitled “**Advanced Machining Processes**” on October 2022.

## **STAFF ACHIEVEMENTS**

### **100% RESULT PRODUCED STAFF LIST**

*A good teacher is like a candle – it consumes itself to light the way for others. Good teachers know how to bring out the best in students. The influence of teachers extends beyond the classroom, well into the future. Teachers are our greatest public servants; they spend their lives educating our young people and shaping our nation for tomorrow.*

In the step towards bringing excellence, our faculties have produced 100% Results in Anna university Results for the various subjects.

### **STAFF PARTICIPATION**

Youths are the future of the nation, who is responsible for carrying out vital duties across several domains and serving society this way or another. What influences them to do something great in life? Besides parents, whose credit is it when the youth today grow up to be beautiful human beings tomorrow? It is the teacher! Teachers provide the power of education to today's youth, thereby giving them the possibility for a better future. Teachers simplify the complex, and make abstract concepts accessible to students. In order to update the current technological skills, our faculty members from various departments have attended various events such as workshop, seminar, Conference, Orientation Programmes, FDP and published many Journals and Research articles.

### **FACULTY PUBLICATIONS:**

Our faculty members engage in scholarly work that includes research published in peer-reviewed journals, academic and professional conference presentations, advancing knowledge in areas of professional and discipline practices, teaching and service. This creative energy finds its way into classroom discussions and student generated research. This Faculty Research and Publications Report to showcase how our faculty members are actively engaged in the creation of knowledge and to profile their publications and professional achievements during the year 2022-23.

## RESEARCH & DEVELOPMENT

Students also form relationships with community members when working on projects, gaining insight for careers and beyond. Students learn how to solve problems that are important to them, including real community issues, more effectively—even learning from failure and possibly starting over. Students apply creative thinking skills to innovate new product designs and possibilities for projects. The following our student projects were selected as best student project by TNSCST& ICSSR.

1. “Studies on corrosion Inhibition and biological activities of Jacaranda mimosifolia leaf extract” guided by Dr.R.Kavitha, Prof/Chemistry.
2. “An automated alert system for indicating fuel level in two wheeler vehicle” guided by Mrs.P.Sudhapriya, AP/CSE.
3. “Stm32 based ebike throttle speed controller design” guided by Dr.K.Arutselvan, Prof/EEE.
4. “Waste onion dry compost to kill pesticides” guided by Mr.T.Sudhakar, AP/Mech.
5. “Regeneration of Agricultural Soil using Organic Products” guided by Dr.R.Kavitha, Prof/Chemistry.

**Sanction Order**

**Subject:** Sanction of Rs. 65,000 for organizing a National seminar on "Regeneration of Agricultural Soil Using Organic Products"

Dear Sir,

Sanction of the Council is hereby accorded for the grant-in-aid of Rs. 65,000/- (Rupees Sixty Five thousand only) to organize the above mentioned National seminar under the Convenership of Dr. R. Kavitha, Professor & Head, Department of Science and Humanities to be held during 10 February, 2023.

The sanctioned amount will be released in two instalment as follows:

First Instalment	Rs. 48,750/-
Second Instalment	Rs. 16,250/-
<b>Grand Total</b>	<b>Rs. 65,000/-</b>

The first instalment of Rs. 48,750/- will be released on receipt of the **grant-in-aid bill & PFMS Form** (copy enclosed) duly signed and stamped by the Competent Authority of the Institution/University/College.

The second instalment of Rs. 16,250/- will be released on receipt of the following documents that may please be submitted within two months after holding the seminar:

1. Two complete sets of Reports (hard bound copies) of the seminar/conference that should necessarily constitute the following:
  - The List of the Actual Participants of the seminar.
  - The exact titles & presenters of each of the session.
  - 2-3 paragraphs write-up on seminar topic.
  - Full Proceedings as presented in the Seminar alongwith the abstracts.
  - A note on the contribution of the seminar to the existing body of research.
  - The Convenor shall acknowledge support of ICSSR in all publications resulting from the seminar outcome (Books, Articles, Reports etc.) and should submit a copy of the same to the ICSSR after the completion.
2. The audited head-wise statement of accounts and utilization certificate in GFR (form 12A) (copy enclosed) for the entire expenditure incurred from the sanctioned amount. Both these needs to be duly certified by the Convenor, Registrar/Principal, and the Finance Officer in case of the Central University or the Chartered Accountant in case of other institutions.

## **FACULTY DEVELOPMENT PROGRAMME**

FDPs are enhance the teaching and other skills of the faculty. And to make them aware about modern teaching tools and methodologies. It provides an opportunity to acquire knowledge about current technological developments in relevant fields. It will not only promote the professional practices relevant to technical education but also motivates the faculty to achieve competitive teaching and learning environment, thus channelizing development with respect to academic qualifications and personal matters.

1. Department of Computer Science & Engineering collaboration with Brainovision Solutions India Pvt. Ltd & AICTE, Ministry of India organized International Level Faculty Development Programme entitled “Amazon Web Services” from 22.08.2022 to 27.08.2022 by Dr.R.Vasanthi, Prof/CSE & Mrs.S.M.C.Subashini, AP/CSE
2. Department of Computer Science & Engineering organized Faculty Development Programme entitled “Nano sensors & Devices” from 22.08.2022 to 26.08.2022 by Dr.R.Vasanthi, Prof/CSE & Mr.D.Jayaprakash, AP/CSE under NITTTR, Chandigarh.
3. Department of Computer Science & Engineering organized Faculty Development Programme entitled “Energy Harvesting & Storage Materials & Devices” from 05.09.2022 to 09.09.2022 by Dr.R.Vasanthi, Prof/CSE& S.J.Deebak, AP/CSE under NITTTR, Chandigarh.
4. Department of Science & Humanities organized Faculty Development Programme entitled “Essential Industrial Chemistry for Engineers” from 05.09.2022 to 09.09.2022 by Dr.R.Kavitha, Prof/Chemistry& Dr .M.Geetha, AP/Physics.
5. Department of Science & Humanities organized Faculty Development Programme entitled “Nanotechnology: Developments and Challenges” from 26.09.2022 to 30.09.2022 by Dr.R.Kavitha, Prof/Chemistry& Dr. A.Srithar, AP/Physics.
6. Department of Science & Humanities organized Faculty Development Programme entitled “2D Nanomaterial: Potential & Applications” from 17.10.2022 to 21.10.2022 by Dr.R.Kavitha, Prof/Chemistry& Dr.A.M Makesh Selvakumar,AP/Physi

### **PLACEMENT & TRAINING**

S.NO	DATE	EVENT	TITLE	ORGANIZATION /CHIEF GUEST
1.	26.11.2022	Guest Lecture	Industry Expectations	Ms.Sogappi, Associate HR, RX Data Science

**Workshop on “IIOT in Industry 4.0”**

**Seminar on Data Analytics in Industrial Application**

### **VALUE ADDED COURSES:**

To bridge the gap between the academic and industry need, Value Added Courses (VAC) are conducted regularly in our College. It is important for higher education institutions to supplement the curriculum to make students better prepared to meet industry demands as well as develop their own interests and aptitudes. Our Departments have got approval from Anna University to conduct Value Added Course for the academic year 2022-2023. The value added courses are listed below. 01 Civil, 02 CSE, 01 EEE, 04 ECE and 02 Mech value added courses were approved by Academic Courses, Anna University during the academic year 2022-23.

S.NO	DEPARTMENT	NAME OF THE VALUE ADDED COURSE
1.	Civil Engineering	Safety Aspects in construction
2.	Computer Science & Engineering	Advanced Python and Introduction to Machine Learning
3.	Computer Science & Engineering	Head First Java: How to Program : Early object
4.	Electrical & Electronics Engineering	Factory Automation
5.	Electronics & Communication Engineering	Iot with Node MCU
6.	Electronics & Communication Engineering	Deep Learning, NLP & BoT Making. NeubAltics Edtech Solutions, Salem
7.	Electronics & Communication Engineering	Industrial Automation on Deep Learning & Robotics .NeubAltics Edtech Solutions, Salem
8.	Electronics & Communication Engineering	IIOT in Industry 4.0
9.	Mechanical Engineering	Additive Manufacturing and Design for 3D printing
10.	Mechanical Engineering	Solidworks and GD & T

Value added Course on “IoT with Node MCU”

### **CERTIFICATION COURSE:**

Department of Electronics & Communication Engineering conducted certification course entitled “Deep Learning, NLP& BoT Making”on 22.08.2022 & 27.08.2022 by NeubAticsEdtech Solutions, Salem

Department of Electronics & Communication Engineering conducted certification course entitled“Industrial Automation on Deep Learning & Robotics” on 28.08.2022 by NeubAItics Edtech Solutions, Salem

### **UNIVERSITY EXAMINATIONS CLASS TOPPERS (2022.2023)**

*On Behalf of our NSIT family, I congratulate all the following students on their performance for excelling in the University Examinations. You have always performed beyond expectations and we appreciate your hard work. We feel honored to have a bright and intelligent student like you in our NSIT. Your sincerity, discipline, and readiness have earned you this achievement. I appreciate your eagerness and dedication that you show in your studies. This has inspired your classmates to perform well too.*

### **100% STUDENTS ATTENDANCE**

*Attendance plays a key role in a student's life; and why not rewards the students who attend the College regularly without taking a single leave!!! This was only possible with the student and their parents together making this happen. The sense of discipline and the responsibility the child understands is through their parents and hence the students deserve the credit.*

**About 72 students have secured 100% Attendance for this academic year 2022-2023**

**CIVIL – 03, CSE - 15, EEE -7, ECE -16, MECH -8, IT – 6 and S&H -17**

### STUDENTS ACHIEVEMENTS & PARTICIPATION:

*Participating Symposiums, Workshops will enhance the technical knowledge of students and provide them a platform to exhibit their talents. It helps students to identify and understand the various aspects of their domain which provides opportunities for them to develop their versatility and charisma in the divergent facet of their growth. 1 Civil, 73 CSE & IT, 44 ECE, 14 EEE, 20 Mech and 1 S&H have participated in various events organized by various Institutions.*

### STUDENTS ACHIEVEMENTS:

1. Ms. S.Deepa, Ms. A.Sabarikeerthana & Ms. V.Divya from Department of ECE secured 1<sup>st</sup> prize in Paper presentation entitled “Digital Image Processing” organized by AVS Institute of Technology, Salem on 25.02.2023.
2. Mr.G.Manokar & Mr.G.Jeevanprasath from Department of ECE secured 1<sup>st</sup> prize in Symposium in the event of “Guess Who&Guess What” & 2nd prize in Idea presentation entitled “Electrico” organized by Knowledge Institute of Technology, Salem on 17.03.2023.
3. Ms.M.Dharani from Department of CSE secured 1<sup>st</sup> prize in paper presentation entitled “Extended Reality” & Multimedia presentation entitled “Corona Warriors” organized by Vivekanandha College of Engineering for Women on 03.02.2023.
4. Ms.A.Nandhini & Ms.S.Deepika from Department of ECE secured 2<sup>nd</sup> prize in Paper presentation entitled “Density Based ZAutomatic Traffic Junction Synchronization” organized by Jayalakshmi Institute of Technology, Thoppur on 04.03.2023.
5. Mr.G.Chandru & Mr.G.Rameh from Department of ECE secured 2<sup>nd</sup> prize in Symposium in the event of “Circuit Debugging” organized by Jayalakshmi Institute of Technology, Thoppur on 04.03.2022
6. Ms.D.Kiruthika, Ms.S.Deepa & Mr.G.Ramesh from Department of ECE secured 3<sup>rd</sup> prize in Symposium in the event of “Circuit Debugging” organized by AVS Institute of Technology, Salem on 25.02.2023.

## **INDUSTRIAL VISIT**

Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices. It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms

Industrial visit has its own place of importance in a career of a student who is pursuing a professional degree course like Engineering. In fact, it constitutes a part of core course curriculum taught at the college. The objective of an industrial visit is to provide the students an insight regarding the internal working of companies. Today, we all perfectly understand that theoretical knowledge is just not enough for a successful professional career. It is here that by going beyond academics, industrial visit provides students a much relevant practical perspective of the actual work place and the larger world of business. All this makes the importance of Industrial visits all too evident, especially for students pursuing a professional Courses.

1. Department of Information Technology I year students went for industrial visit to Ashok Note Books and Salem printers on 18.11.2022.
2. Department of Electrical & Electronics Engineering I year students went for industrial visit to Surya Batteries on 18.11.2022.
3. Department of Mechanical Engineering I year students went for industrial visit to Thermal Power Plant on 18.11.2022.
4. Department of Computer Science & Engineering I year students went for industrial visit to Aavin Diary on 18.11.2022.
5. Department of Electronics & Communication Engineering I year students went for industrial visit to Steel Plant on 18.11.2022.
6. Department of Computer Science & Engineering students went for industrial visit to Novi Tech R & D Pvt.Ltd on 24.09.2022.
7. Department of Information Technology students went for industrial visit to Tech volt Software on 08.10.2022.
8. Department of Electrical & Electronics Engineering students went for industrial visit to Padmavahini Transformer Pvt Ltd, Coimbatore on 11.10.2022.
9. Department of Electrical & Electronics Engineering students went for industrial visit to Allied Foundry, Coimbatore on 24.09.2022.
10. Department of Electronics & Communication Engineering II year students went for industrial visit to Allied Foundry Coimbatore on 24.09.2022.
11. Department of Mechanical Engineering II year students went for industrial visit to Mettur thermal power station on 05.12.2022.

12. Department of Mechanical Engineering III year students went for industrial visit to RAM Aromatics on 07.02.2023.

Learning is made a lot easier and interesting through various activities, like industrial visits, guest lectures and various technical activities. This inculcates the urge to gain more knowledge in students thereby making them better professionals to face the modern day challenges. The students are exposed to the current industrial atmosphere which enables them to grasp more than their academic syllabus.

Our college focuses on fulfilling the dream of every student by providing all the necessary state-of-the-art facilities to achieve in their areas of interest. NSIT offers the best opportunities to the students to achieve in Curricular, Co-Curricular and Extra-Curricular activities.

### **TECHNICAL SYMPOSIUM:**

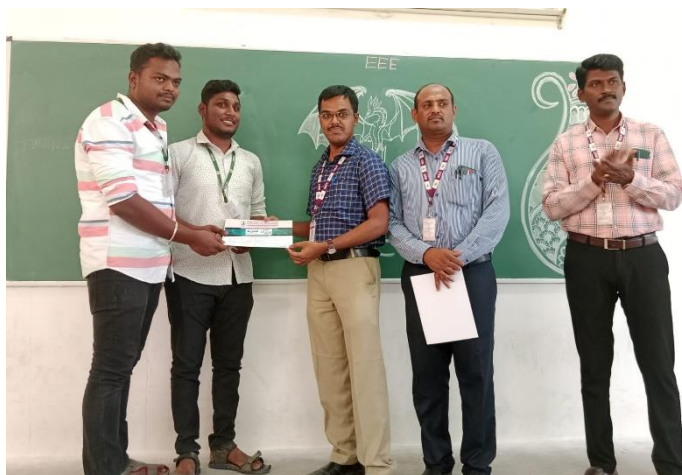

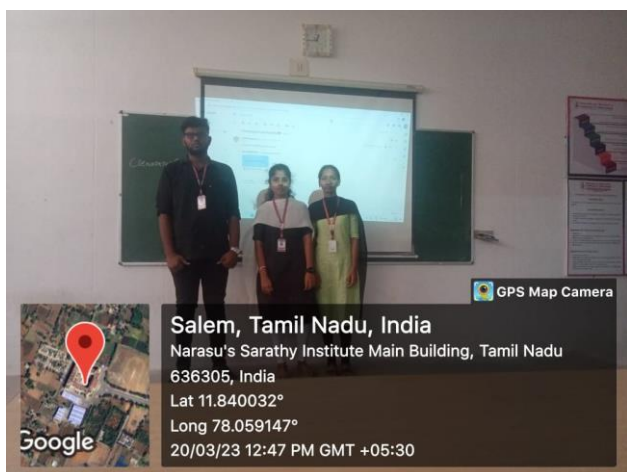

This symposium was conducted with an agenda to allow students to expose their technical ideas in a forum. This way the participants will know how to integrate the latest technologies into their research projects and present their paper with novel innovative ideas.

The National Level Technical Symposium for various Departments are Struttura– Civil, Srishti – CSE & IT, Anuttara - ECE, Agni- EEE and Spandana-Mechanical was organized on 18.03.2023. Our Chief Guest Dr.R.Malayalamurthi, Principal, Government College of Engineering, Salem was felicitated the gathering.

Around 256 Students from various colleges participated in the National Level Technical Symposium 2023 (Anuttara, Agni, Struttura, Srishti and Spandana)

- ❖ Paper Presentation
- ❖ Project Expo
- ❖ Poster Presentation
- ❖ Code Debugging, Circuit Debugging& Circuit Designing
- ❖ Technical Quiz
- ❖ Person or Element identification
- ❖ Fun Zone
- ❖ Photography/Short film
- ❖ Idea Contest
- ❖ 3D –Modeling
- ❖ Mr.Mechanist

## **15<sup>th</sup>FIRST YEAR INAUGURATION CEREMONY - 2022**

### **INAUGURAL CEREMONY AND ORIENTATION**

The 15th First Year Inauguration ceremony was celebrated on 7th Nov 2022. Our Chairman Mr. B. Nitish Harihar, Pro Chairman Mrs. Aishwarya Nitish, Vice Chairman & Secretary Mr. G. Prabakaran and Principal Dr. Munusami VIswanathan along with the Head of various Departments presided over the function. Mr. R.Sundaram, Founder & Managing Director, the Salem Aeropark, Dr.R.Krishna chetty, Chairman, SVM Association, Salem and Mr.C.R.Natarajan, Vice Chairman, SVM group of institution, Salem. Graced the event as Chief Guest.

### **STUDENTS INDUCTION PROGRAM**

The graduating student must have knowledge and skills in the area of study. However, one should also have broad understanding of society and relationships. Character needs to be nurtured as an essential quality by which they would understand and fulfil responsibility as an engineer, a citizen and a human being. Besides the above, several meta-skills and underlying values are needed. One will have to work closely with the newly joined students in making them feel comfortable, reduce competition and make them work for excellence, build relations between teachers and students, give a broader view of life, and build character.

Students come with diverse thoughts, backgrounds and preparations. It is important to assist them adjust in the new environment and inculcate in them the ethos of the institution with a sense of larger purpose. Keeping the above thought in mind AICTE proposes a 3-week induction program for the UG students entering the institution before the commencement of normal classes which will start only after the induction program is over. Its purpose is to make the students feel comfortable

in their new environment, set a healthy daily routine, create bonding in the batch as well as between faculty, develop awareness, sensitivity and understanding of the self, society at large, and nature. The following are the activities under the induction program in which the student should be fully and actively engaged throughout the entire duration of the program.

A 14 day induction program was well thought-out by the Department of Science and Humanities for the I year students from 07.11.2022 to 20.11.2022. Dr.J.Murugan, ASP/English, Mrs.M.Durgapriya AP/English & Mr.A.Nandhakumar, AP/Mathematics, were the Chief coordinators of the programme which started its inauguration on 07.11.2022.

Arranging science exhibitions, Film shows and science fairs. Organizing lectures, debates, seminars, symposia, celebrating the science days. Celebrating birth days of eminent scientist

Science and Humanities conducted one day seminar titled "Recent Innovations and Emerging Trends in Science and Technology" on 28.02.2023 as a part of National Science Day Celebration. Dr. P.Shanmugam, Chief Scientist, Organic and Bio-Organic Chemistry, CSIR-Central Leather Research Institute (CLRI), Adyar, and Chennai was the chief guest. The resource person stated that, A multitude of alternatives are now available to synthetic organic chemists as a result of the recent surge in interest in photoinduced chemical transformations. Nonetheless, bringing about a photochemical change may be fairly challenging due to a number of issues with

photon delivery. These problems have made it difficult for photochemical techniques to be widely used in the chemical industry. Nonetheless, during the past 10 years, several technical developments have improved the repeatability, focus, and scalability of photoinduced reactions. The comprehensive assessment we give here covers a wide range of cutting-edge technological developments, including flow chemistry, high-throughput experimentation, reactor design and scale-up, and the combination of photo- and electrochemistry applications of electrochemistry.

## SCHOOL STUDENTS VISIT

Students from Wisdom Gates M H S School, Omalur have attended seminar related with ISRO visit @ our Campus on 23.12.2022

## R.P. SARATHY SMART MIND CHALLENGE'23 QUIZ

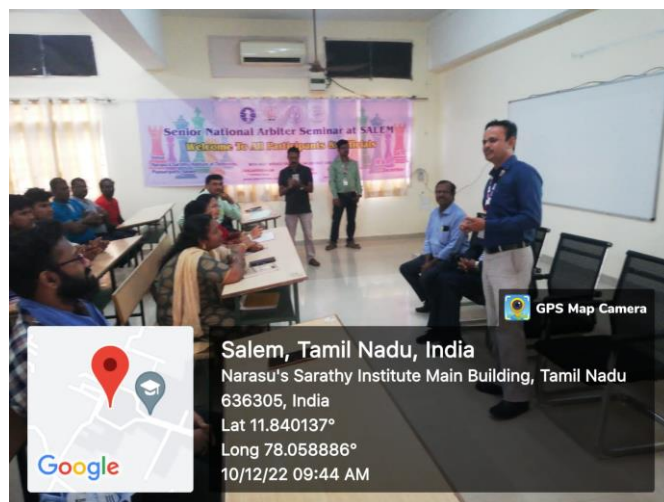

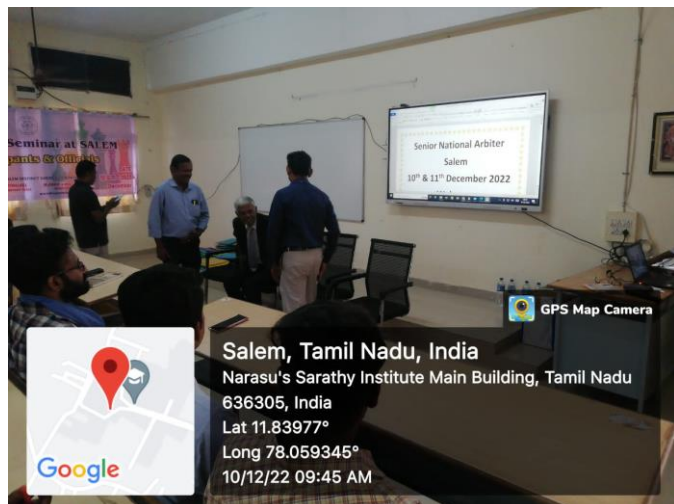

Smart Mind Challenge is a Quiz competition for students of Std. XI & XII initiated by Narasu's Sarathy Institute of Technology. We, at NSIT believe that academic excellence alone is not enough for success in life. The students should be able to exhibit their talent and test their subject knowledge in Physics, Chemistry, Maths & Aptitude. The quiz will be a harbinger for competitive exams like JEE, NEET AIIMS etc. We also believe the students should have an exposure to aptitude and application based questions for academic excellence. This would ensure the students' overall growth. Students would also get an opportunity to improve their memory power, recalling skills and wittiness.

R P Sarathy Smart Minds challenge 2023 conducted on 28.01.2023.

## CHES ARBITER MEET

Senior Chess Arbiter Meet conducted on 10.12.2022

## ENTREPRENEURSHIP DEVELOPMENT CELL

The cell undertakes several activities for student development wherein the student gets corporate exposure while studying and develops a spirit of entrepreneurship.

This enables student capability enhancement as well as their alignment with Industry. This way the EDC at one stroke creates a win-win model for students as well as Industry.

Entrepreneurship development cell bridges the gap between ideas to the market product.

Entrepreneurship development cell has taken a greater responsibility to generate the entrepreneurship skills among the students and to help them to channelize their goals to become a versatile entrepreneur.

Moreover, we also give exposure of industrial sector to curious young minds to get perfect idea of market need and requirements

Entrepreneurship Development Cell organized the following programme

## PLACEMENT DETAILS 2022-23

### PLACED STUDENT DETAILS

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates under the head of Placement Director Mr.Mohan Kumar. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews.

From a student perspective, high quality placements can bring a range of benefits and positive impacts. For a student, placements and training are extremely valuable as it helps them to enhance or learn industry centric skills beneficial for their future career growth. Best training and placement practices at a private university help students to alleviate barriers to employment for graduates and encourage them to grab all possible opportunities.

We have been successful in maintaining our high placement statistics over the years and the fact that our students bear the recession blues with record breaking placements itself is a testimony to our quality. Our ingenious alumnae have set new standards in the corporate world through their estimable contributions and it is my firm conviction that we will continue that legacy in the years to come.

The Placement Cell organizes career guidance programmes for all the students starting from first year. The cell arranges training programmes like Mock Interviews, Group Discussions, Communication Skills Workshop etc and it also organizes Public Sector Exam Training for students who are interested to join Government Sectors. It also invites HR Managers from different industries to conduct training programmes for all the year students.

### **DETAILS OF TRAINING PROGRAM**

Placement training plays a major role in shaping up the career goals of students. It is the dream of every engineering student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for engineering students to enhance their employability skills and achieve good placement in various Industries. At present, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet out these requirements, a fully fledged training cell is operating in our college to enhance the capabilities of engineering graduates on par with the industry standards.

## IEI STUDENT CHAPTER

Department of Electrical & Electronics Engineering association with The Institution of Engineers (India) IEI organized a IEI Student Chapter Inaguration on 24.02.2023 by Er.SR.Saravanan, FIE., Chairman & Er.N.Senthil Kumar, MIE., Honorary Secretary, IE(I), Salem Local Chapter, Salem.

## **SPORTS**

The students who are very much engaged in sports activities have a bonding capability. Here, they have to work as a team, which teaches them how to enhance a social relationship- which is also an important parameter of life.

A sport teaches students to be emotionally strong. Most of the students often have to deal with some of the other emotional issues in their life, either at home or in school.

The skill they develop through sports helps them to accept all defeats as well as wins. Hence, students who are involved in games and sports are in a much better position to deal with tough situations.

Skills like teamwork, leadership, patience, discipline, learning from failure, Sportsmanship, etc., are developed only when children play sports regularly, and these skills are equally important when it comes to studies and management.
